## Welcome to the 2015 Season

*Our aim is to develop and promote football for all ages and abilities in a social and friendly environment.*

### President's Welcome

Our club is working towards offering the best Football experience on the coast. Our fields and complex are fantastic facilities that rival any amateur club in Australia. Welcome and I hope you can contribute to our club whether as a player, coach, volunteer or just a spectator. We pride ourselves in offering Football programs to all sections of the community including Squirts, programs for players with disabilities and indigenous players. We are constantly striving to improve the quality of the services we provide but it is important to recognise that we are all volunteers. Finally, I urge you to support our many business partners lead by the **Maroochydore RSL**, their contribution to our club is invaluable.
