

Please support our club's inclusive project

We have partnered with the Australian Sports Foundation to create the '**Maroochydore Swans Foundation**' to raise money to promote physical activity and social inclusion to people of all ages and gender in the Sunshine Coast.

Your **tax deductible** donation will enable the club to build such things as:

- A wheel Chair access ramp down to our main field
- A shade structure to cover our concrete seating
- Upgrades to our toilets to full ambulant standard including our current disabled toilets
- Upgrades to our team & referee's change rooms to provide accessibility to all

Maroochydore Soccer Club is the only Club that has its own community Outreach Program, which sees children from our Special Schools and indigenous families provided with the best sports coaching available on the Sunshine Coast.

Your donation will enable our club to hold more inclusive days at our soccer club such as the kick for kid's days.

With your support, more people with disabilities will be able to participate in all forms of events

Your donation will help us build an access ramp into the entrance of our club house as we do not have one at the moment other than the back way.

Please make a tax deductible donation by following the link below:
