### HOW TO COMPLETE THIS FORM:

20.19 All clubs must name their Premier Women's, Premier Reserve Women's and 3<sup>rd</sup> Division Women's teams in their entirety. The listed top 7 Premier Women will not be permitted to play back into Premier Reserve Women and top 7 Premier Reserve Women will not be permitted to play back into 3<sup>rd</sup> Division Women within a club. However, players not named in the top 7 may play down into their clubs next available senior women's team. For example where a club has Premier Women and 3<sup>rd</sup> Division teams only players not named in the Premier Women top 7 are eligible to play back into 3<sup>rd</sup> Division. 3<sup>rd</sup> Division players can help out in the Premier Women and Premier Reserve Women Competition as required.
